

Feedback for RRMP Statistical worksheets [Formative]

Tutor completing formative feedback: Karen Outram	Student number: Shiraj Ali
Details of any extensions etc:	Submission Attempt: Formative

Thank you for submitting your formative Shiraj.

You have looked at the formative exercise and broken your response down in a methodical manner. The content is logical and deals with the questions posed in the formative itself.

You have broken the formative down into numerical as well as bar chart interpretations regarding the data, and this is appropriate for the tasks that you have been requested to complete.

This will be a valuable addition to your e-portfolio,

With best wishes

Karen
